B.T. Kesavaiengar, Esq., B.A.,.
Chief Secretary to the Government of Mysore,

SIR,

I am directed to state that the Munsiff's Court at Davangere is at present held in a private building which was taken on a monthly rent of Rs.125/- in the year 1925. Seeing that rents of buildings are falling off in recent years, the District Judge was asked to see if the rent of the said building also could not be reduced. He consulted the Deputy Commissioner and the Executive Engineer and made local enquiries. He reports that no Government Building is available to locate the Munsiff's Court, that the owner of the building in question is willing to reduce the rent from Rs.125/- to Rs.100/- if no costly additions or alterations are demanded, and if the lease is taken for 5 years. He adds that the Deputy Commissioner and himself are of the opinion that instead of paying a heavy rent, a Government building may be constructed both for the Munsiff's Court and the Magistrate's Court, and that till then the present building may be continued for the Munsiff's Court for about 2 or 2½ years, on a rent which is expected to be reduced to Rs.100/-.

I am to request that the Government may be pleased to accord sanction to take up the said building on a monthly rental of Rs.100/- till the end of June 1938, and also to take up the question of constructing a Government building for the Munsiff's Court at Davangere for consideration.

I have the honour to be,

To

CHIEF SECRETARY
27. SEP. 1937
GOVT. OF MYSORE.

The Chief Secretary to
Government of Mysore,

BANGALORE.

Sir,

I understand that the Government and High Court are on the look out for a decent building for the Munsiff and Magistrate's Courts at Davanagere. The present Courts are situated not in a very good locality and the Government had been paying Rs.125/- for the Munsiff's Court and Rs.60/- for the Magistrate's Court. The rent of latter seems to have been reduced to Rs.40/- of late. Thus at present they are paying a sum of Rs.165/- a month.

The Courts have no compound walls and accomodation specially for Special Magistrate's Court is very small and there is no room for keeping things or even a privy to the Officer or place for witnesses to stand and surroundings are very dirty. Especially in rainy season, Market season and wind season, all - the dust, noise, and street nuisances make the place a perfect nuisance.

I have a building in Jayachamarajendra Extension which contains at present 16 rooms, 3 halls, One big veranda and a Motor Shed. I am prepared to add in front two big court halls of the dimensions of 30 x 20 each with verandas on all four sides; with - two chambers for officers with separate Bath Room - accomodation thus giving one and a half times the -

accomodation

accomodation of the present buildings and I am prepared to give the whole building to locate both the Courts at a monthly rental of Rs.100/- only thereby giving Government a net savings of Rs.800/- a year, a decent locality highly convenient to Government, the Public, the Lawyers and all other concerned!

I may add that my building is next - to the High School in close proximity to the Sub - Division Court, Library, Club and Park and facing - the High School Maidan. It is contiguous to plots reserved for public Offices and much nearer to the Railway Station, Travellers Bungalow, Musafar Khana and Choultry. There is absolutely no street or dust nuisance and it is perfectly calm and ideal - locality for judicial work. I have given water - convenience also. The present courts have not got this convenience. As soon as electric power comes, I shall give electric connections and fans for the hall.

The building is ready and I can construct the halls with corridors and chambers and - Rooms within a period of 2 months from the date of acceptance of offer, As I have got all the materials, resources and wood work ready. If necessary I can provide quarters within a short time for the Judicial Officers and Staff also. The Special Magistrate - and the Munsiff have both seen the building and expressed that with the proposed additions, the building will be more than sufficient for locating both the courts.

The

(33

The acceptance of my offer will mean better housing of courts, great convenience to all concerned and to appreciable savings to Government. I am the biggest Land-Lord of this place. I would require at least 7 years Lease, as I will have to spend freshly at least 8 to 9 thousand rupees for the new halls with corridors and rooms and I hope to make the halls a most decent construction to compare favourably with any other moffusil courts in the Mysore State and in keeping with the dignity of institutions.

I enclose here in a plan showing - both the existing building with the proposed additions.

Favour of early reply is requested.

I beg to remain,

Sir,

Your most obedient servant,

REGISTRAR, HIGH COURT

To

The Registrar, High court

B A N G A L O R E.

Sir,

I understand that the Government and High Court are on the look out for a decent building for the Munsiff and Magistrate's Courts at Davanagere. The present Courts are situated not in a very good locality and the Government had been paying Rs.125/- for the Munsiff's Court and Rs.60/- for the Magistrate's Court. The rent of latter seems to have been reduced to Rs.40/- of late. Thus at present they are paying a sum of Rs.165/- a month.

The Courts have no compound walls and accomodation specially for Special Magistrate's Court is very small and there is no room for keeping things or even a privy to the Officer or place for witnesses to stand and surroundings are very dirty. Especially in rainy season, Market season and wind season, all the dust, noise, and street nuisances make the place a perfect nuisance.

I have a building in Jayachamarajendra Extension which contains at present 16 rooms, 3 halls One big veranda and a Motor Shed. I am prepared to add in front two big court halls of the dimensions of 30 x 20 each with verandas on all four sides; with two chambers for officers with separate Bath room accomodation thus giving one and a half times the

accomodation

accomodation of the present buildings and I am prepared to give the whole building to locate both the courts at a monthly rental of Rs.100/- only thereby giving Government a net savings of Rs.800/- a year, a decent locality highly convenient to Government, the Public, the Lawyers and all other concerned.

I may add that my building is next - to the High School in close proximity to the Sub-Division Court, Library, Club and Park and facing - the High School Maidan. It is contiguous to plots reserved for Public Offices and much nearer to the Railway Station, Travellers Bungalow, Musafar Khana and Choultry. There is absolutely no street or dust nuisance and it is perfectly calm and ideal locality for judicial work. I have given water convenience. As soon as electric power comes, I shall give electric connections and fans for the hall.

The building is ready and I can construct the halls with corridors and chambers and - rooms within a period of 2 months from the date of acceptance of offer. As I have got all the materials, resources and wood work ready. If necessary I can provide quarters within a short time for the Judicial Officers and Staff also. The Special Magistrate and the Munsiff have both seen the building and expressed that with the proposed additions, the building will - be more than sufficient for locating both the courts.

The acceptance of my offer will mean better housing of courts, great convenience to all -

concerned

concerned and to appreciable savings to Government. I am the biggest Land-Lord of this place. I would require ~~xxixxx~~ at least 7 years Lease, as I will have to spend freshly at least 8 to 9 thousand rupees for the new halls with corridors and rooms and I hope to ~~make~~ the halls a most decent construction to compare favourably with any other moffusil courts in the - Mysore State and in keeping with the dignity of - Institutions.

I enclose here in a plan showing both the existing building with the proposed additions.

Favour of early reply is requested.

I beg to remain,

Sir,

your most obedient servant,

Davanagere.

SIR,

Subject:- Offices held in private buildings in Davangere and suitability of certain private buildings constructed in Prince Jayachamaraja extension for locating Law courts at Davangere.

With reference to your letter No.P.2101 Cts.39-37-6 dated 20th October 1937 on the above subject, I have the honor to state a follows:-

I have looked into this matter and made enquiries.

The offices noted hereunder are held in Government buildin

Sites are available in Davangere extension for constructing new buildings for locating Government offices. In fact, there is an area set apart in the extension for public offices in the block where there is the Revenue Sub Division Office. Anyway, there are sites available in the extension for putting up new buildings for Government offices.

The private buildings suggested by Messrs N.C.Badami and H. Rudrappa are, as reported by the Sub Division Officer, Davangere, suitable for the location of 2 courts. The public, according to the information received have no objection for locating the courts of the Munsiff and the Special Magistrate in these buildings. But the question is whether it would be worth while, to shift to these private buildings again.

In this connection I may however mention the following circumstances from my knowledge and enquiries. The two main offices which are located in rented buildings in Davangere are the Munsiff's court and the Magistrate's court, and are located in the present rented buildings ~~for~~ from a long time. The question of the reduction of the rent for the buildings was taken up and the rent now payable for them has been latterly reduced as agreed to, by the owner. Sometime ago, on a reference received from the High Court, the District Judge Shimoga consulted me and we both visited the place and looked into the matter. We ~~find~~ found that there were no other suitable buildings, and that the best thing would be for Government to construct buildings in the area set apart in the extension for public offices, and that until then the offices may continue in the present buildings. The two new private buildings, referred to, by the petitioners have since come up, but these two petitioners (Messrs: N. C. Badami and H.Rudrappa) want a guaranteed lease for 7 and 10 years respectively which is a long period within which public buildings of Government for the purpose could be expected. This is not therefore a desirable course, after all, I think.

All things considered, I beg to suggest that the ~~case~~ best course would be to construct Government buildings for the purpose as ~~for present~~ funds permit, and that as a first step funds required for putting

47

up the Magistrate's court and the Munsiff's court may be provided for in the next year's budget and the Public Works Department being addressed in the matter and that these offices may be continued in the present buildings until then.

The applications and plans in original, furnished by the above two gentlemen are returned herewith.

I have the honor to be,

S I R,

Your most obedient servant,

Deputy Commissioner,
